SENATE FIGHT BROADENS; FIVE MEN NOW IN THE FIELD FOR THE DEMOCRATIC VOTE

Gerard, Herrick and Littleton
Before Caucus, in Addition
to Shepard and Sheehan.

MURPHY GIVES ORDERS.

Said to Have Told Tammany
Men on the Quiet That
Sheehan Is the Man.

(Special from a Staff Correspondent of The Evening World.)

ALBANY, N. Y., Jan. 13.—When the Democratic caucus meets Monday night the names of at least five candidates for the United States Senate will be presented. In addition to Sheehan and Shepard, Justice James W. Gerard, D-Cady Herrick and Martin W. Littleton will be placed in nomination.

The Republicans will also hold their caucus Monday night. Chauncey M. Depew will be the minority candidate. Shepard's supporters are still making a pretense of fight. They have sent queries to several hundred prominent Democrats over the State and the replies are overwhelmingly against Sheehan, but are not unanimous for Shepard. Gov. Dix declared to-day that there had been no change in his attitude on the Senate. He reiterated the statement that he would not interfere in the fight.

Charles F. Murphy saw the Governor again this morning, and this time they were alone. Gov. Dix said that he had not yet discussed the Senate with Mr. Murphy, but had an appointment for that purpose this afternoon.

He Has No Preference.
"Will you express any preference as between candidates when you talk with Mr. Murphy?" he was asked.
"No, I shall not. I have no preference."

"Would you consider that such an announcement would be interfering with the Legislature?"
"It might by indirection."
"Is it true that you have expressed a preference in talking to some members of the Legislature?"
"No, I have not."

The Governor repeated that his conference with Mr. Murphy on this subject would be solely for the purpose of learning the situation in New York County.

"Do you expect to make similar inquiries from the party leaders in other counties?" he was asked.
"No," he said, "I have not sent for any of them."

The Governor leaves for New York at 8:10 o'clock to-morrow morning. Charles F. Murphy, John H. McCooey and other party leaders will remain in Albany until after the Senatorial election on Tuesday.

New Appeal for Shepard.
The Shepard committee this afternoon made the following statement:

"In letters, interviews and other forms of expression, large numbers of Democrats and other citizens interested in the permanent welfare of the Democratic party, have given earnest expression of their opinion that Mr. Shepard possesses the mental and moral qualities for distinguished Senatorial service, and should be the Legislative choice. These expressions come from citizens of every way and walk of life.

"Over four thousand Democratic voters in Kings county have cosigned themselves over their own signatures as members of an organization favoring and urging the election of Mr. Shepard for Senator, and a large number of voters in New York and adjoining counties have enrolled themselves as members of a like organization in New York City. No Democratic ever proposed for Senator and no other candidate in this contest has received such evidence of widespread popular support as has been given to Mr. Shepard."

But while these things are going on in the open, it is reported that Murphy has given secret orders to the Tammany members that Sheehan must be chosen.

The Shepard men are still claiming victory, but their claim lacks the ring of enthusiasm and they are building their forced hope upon the expectation

HYDE IN FLORIDA ON A HOUSEBOAT, IS LATEST REPORT

Man Who Saw Him Says He
Ducked Below When Recognized.

HOTEL ORMOND, Fla., Jan. 12.—Charles H. Hyde, City Chamberlain of New York, lost for forty-five days, is said to be on his houseboat the Stop-a-While, aground on a mudbank six miles above here.

Hyde was seen yesterday and recognized by a man who knows him well. Yet in the face of the recognition the Chamberlain dived below deck and caused his father-in-law and even his wife, who has joined him, to persist in denying that he was aboard.

Although he remained in hiding he was in easy earshot of the questions asked his family, which, however, he declined to answer.

Hyde's big houseboat lies at the confluence of the Tomoka River and Smith's Creek, which, uniting, form the Halifax River, flowing south. Into this basin enters the St. Augustine-Daytona Canal, down which Hyde and his party came from the former town, leaving there Wednesday, shortly before noon. After trying up for the night she started on her way yesterday and had scarcely proceeded half a mile when she ran her blunt nose hard and fast into a mudbank. There she stuck all day and there she will remain until some time to-day, when high tide should float her off. The crew failed to take advantage of the evening tide.

He is on his way to Lake Worth, at Palm Beach, by the inland canal route, unless he should conclude to go into the ocean at Mosquito Inlet, twenty miles below here.

BROADWAY CARS TIED UP.

Trivial Mishap Blocks Traffic for Twenty Minutes.

A trivial disarrangement of the transmission system in the trolley slot of the Broadway line at Broadway and Battery Place today tied up the lower end of the system for nearly twenty minutes. Although the blockade was on the north-bound tracks, it soon spread to south-bound traffic, because of the switchback at the Battery, and eventually the effects of the tie-up were felt all the way uptown.

A piece of the rail through which the current is carried underground dropped out of place as a car was passing. Deprived of power, the car stopped, and so did all the other cars south of it. The system was paralyzed within the zone of electricity affected by the accident. The car crews were unable to make repairs and a wrecking wagon was necessary.
